This home is like new, a total remodel was just completed, and tastefully done. From new flooring, insulated windows, paint, appliances, cabinets, sinks, fixtures, bathrooms, countertops, with a large, covered 40x27 front porch, and a new rear porch, Its all new. This property offers a quiet country setting with lots of privacy. You will be sure to enjoy the huge, covered deck perfect for get-togethers, or just for rocking on the porch listening to nature. Its unrestricted, so you can do whatever you like. With 5 wooded acres, there are several locations for a shed/garage.
